To,

The Hon'ble Chief Minister,
Government of Rajasthan,
Chief Minister's Office (CMO), Jaipur.

Subject: Request for Expeditious Approval and State-wide Implementation of the Promotion Rules – File No. 00099 dated 25.03.2026

Respected Hon'ble Sir,

On behalf of the All India Forest Officers Federation, we respectfully invite your kind attention to File No. 00099 dated 25.03.2026, which is presently under consideration in the Hon'ble Chief Minister's Office regarding the amendment of the promotion rules for Forest Department personnel.

The Federation humbly requests your kind intervention for the early approval and immediate implementation of the proposed amendments. The matter has remained pending for a considerable period, resulting in prolonged stagnation in the career progression of Forest Department employees. This has adversely affected the workforce's morale, motivation, and overall efficiency.

A fair, transparent, and time-bound promotion system is one of the fundamental principles of good governance and efficient public administration. Timely promotions not only recognize employees' dedication and experience but also inspire them to perform their duties with greater commitment, accountability, and professionalism.

The Forest Department is entrusted with the critical responsibility of protecting forests, conserving biodiversity, safeguarding wildlife, mitigating climate change, and preserving the ecological wealth of the State. These responsibilities demand a highly motivated and efficient workforce. Delays in career advancement inevitably reduce employee motivation and hinder administrative effectiveness.

The proposed amendment under File No. 00099 dated 25.03.2026 is expected to remove long-standing bottlenecks in the promotion process and ensure that eligible employees receive their rightful career progression promptly. Its implementation will significantly enhance employee welfare, strengthen institutional capacity, improve administrative efficiency, and ultimately lead to better public service delivery in the field of forest and wildlife conservation.

Email : aifofhq@gmail.com

The Federation firmly believes that an empowered and motivated Forest Department is essential for achieving the Government of Rajasthan's vision of sustainable development, environmental conservation, and effective natural resource management. Early approval of the proposal will send a strong and positive message that the Government values the dedication and contribution of its Forest personnel.

In view of the above, we earnestly request your good office to accord top priority to File No. 00099 dated 25.03.2026 and kindly approve the proposed amendments at the earliest, enabling their immediate implementation across the State. Such a decision will greatly enhance the confidence, morale, productivity, and work efficiency of Forest Department personnel while strengthening the overall administrative framework of the department.

The All India Forest Officers Federation shall remain sincerely grateful for your kind consideration and positive intervention in this important matter.

Yours faithfully,

Dr. Saurabh Vashisth

Dy. General Secretary

All India Forest Officers Federation
